Dear Sir:

A Petition to Withdraw Holding of Abandonment was filed November 26, 2002. To date, the status of case still remains as "Abandoned". On Monday, February 10, 2003, it was suggested by the PCT division of the US Patent and Trademark Office, that we send the Petition again via fax to the PCT Legal Department.

Accordingly, you will find copies of the Petition, the Express Mail receipt, and the return receipt postcard date-stamped by the Patent Office.

Applicant does not believe any fee is associated with this communication, however, if any fees or charges are necessary, please charge them to our Deposit Account No. 07-1180.

If the Examiner has any further questions relating to this application, Applicant's attorney may be reached at (248) 647-6000.

Respectfully submitted,

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

According to the PAIR system, the above-referenced U.S. national phase application, filed under 37 USC 371, was abandoned on January 4, 2002 "during preexam processing" (Exhibit A attached hereto). The Notice of Abandonment was received November 22, 2002 (also Exhibit A).

Applicant notes that on January 4, 2002, a Notification of Missing Requirements was mailed requesting an executed Declaration (Exhibit B).

On January 23, 2002, Applicant submitted the executed Declaration with transmittal form PCTUS1/REV03, via Express Mail Label No. EV 011110761 US (Exhibit C).

In March of 2002, Applicant noticed that the submission of January 23, 2002 was lacking payment of the \$65 surcharge. However, Applicant did authorize the Commissioner to charge any "additional fees" to our Deposit Account, which may be required.

During our March review of the file, we also noted that the transmittal form of the January 23, 2002 submission indicated only the PCT application number, omitting the serial number of this application. Upon this discovery, Applicant called the Patent Office and spoke with Ms. Vonda Wallace, paralegal - PCT Department, and expressed our concerns. Ms. Wallace indicated that while it may take awhile, they would be able to match the documents submitted to the file by the PCT application number, although it may take awhile.

USSN 09/979,570

As stated above, Applicant was responsive to the Notification of Missing Requirements and therefore, Applicant respectfully requests that the holding of abandonment be withdrawn.

Applicant does not believe any fee is associated with this petition (see MPEP § 711.03 (c))

1). However, if any fees or charges are necessary, please charge them to our Deposit Account No. 07-1180.

If the Examiner has any further questions relating to this application, Applicant's attorney may be reached at (248) 647-6000.

Respectfully submitted,

Date: 11/25/02
